CANADIAN MEDICAL SCHOOLS RESPOND TO THE OPIOID CRISIS

Best Evidence Training for the Next Generation of Canadian Physicians on Pain Management, Opioid Stewardship and Substance Use Disorder

Health Canada Acknowledgement

This competency-based online curriculum was developed by the Association of Faculties of Medicine of Canada (AFMC) with funding from Health Canada through the Substance Use and Addictions Program (SUAP) (#1819-HQ-000084). AFMC is the academic partnership of Canada's faculties of medicine. Through collective leadership, expertise and advocacy, AFMC's mission is to achieve excellence in education, research and care for the health of all Canadians.
